### **Any Other Business**

Mention was made that some developments outside town with parking are being built to the detriment of developments nearer the town which are not allowed so much parking. 6 town businesses will be relocating to the new Admiral Park development, thereby freeing up a possible 100- 200 parking spaces in town. Also the developers are keen for a shuttle service so that people can park at Admiral Park and use the shuttle to go into town to shop.

There is a lecture by Duncan Barrett, author of "Girls Who Went to War" Frossard Theatre in aid of the Friends of the Priaulx Library tomorrow evening.

We will write to the Harbour Authority for signs to be put up, telling everyone not to feed the seagulls. The office will action.

Suggestions so that everyone can see what the Christmas Lights collection is for. A sash with "Buy a Bulb" was agreed

The size of Alcohol Free zone signs at La Vallette were questioned but the A4 size is the norm.
