Minutes of the Previous Meeting

The Minutes were accepted.

Matters arising (from Action Points)

The States had sold some of their houses to individuals so there were no double rentals.

There will be no recompense for the B6.3 remede.

Portable air conditioners being looked into but will need venting.

Constables Report

The Constables report had been circulated.

Planning were being very helpful with regards You Are Here boards and want to reduce the number of signs in town.

The Douzaine must make it clear when giving any kind of media statement, that they were talking as individuals and not on behalf of the Douzaine or as a Douzenier.

The Petition regarding Le Foulon was asked to be signed by those interested.

School Reports

There were no school reports.

Committee Reports

Committee Reports had been circulated.

Floral Review Document

As some Douzeniers had not received all the paperwork, this item was postponed until the October meeting.

Waste Strategy Update

The Douzaine voted on allowing small business to join the Waste Strategy by 14 to retain the status quo with 2 abstentions unless and until TA provided a more exact definition of "small business".

No further information for stickers on bags that volunteers use ie for beach.

Any Other Business

A letter will be sent to Jack Honeybill and his team as a thank you for putting on such a successful Town Carnival this year.

The website was useful but updated Parish meeting notes were requested.

Greater use of electronic media requested. All Douzeniers would be asked to volunteer at the polling stations for the Referendum on 10th October.

Klaus Martin Höfer enjoyed his visit and conversation with the Constables and Douzaine and his report would be broadcast in Germany in the future.

Planning applications were still up at the bathing pools dated June 2018 and the need for planning applications for small issues was questioned.

The meeting closed at 9.33pm.
